2023 Plant Giveaway and Bake Sale

Saturday, May 13, 2023
Project Support Senior Center
in Idaho Springs

This event was held in conjunction with Social Ethics Club. Houseplants, vegetables, succulents, seeds, perennials and other plants were given away to passers-by and bake sale items sold like hotcakes! It was a cool and cloudy day, but our hardy volunteers raised \$1000 to be split evenly between the two clubs.

A new gardening term has emerged from the Chelsea Flower Show in London – it describes plants that are both ornamental and edible:
“Edimentals”
